

About BOST Benefits:

BOST works with individuals, families, small businesses, nonprofits, and Fortune 500 companies across the United States. With each and every one, we strive to deliver what matters most to them. Since the inception of BOST, the priority has been delivering consumer centered benefits and impeccable service.

We discuss client needs, analyze the risk, formulate a strategy and then design a custom solution for you. Our Benefit Specialists coordinate the installation every step of the way. Benefit education and accurate enrollment by our dedicated and tenured company representatives ensures a quality result every time.

Our Support Services team delivers a very unique client experience. If you have questions or need assistance, we are there for you – from billing to change management and even claim assistance.

As healthcare changes, we will monitor your plans and continue to bring the most advanced and cost-effective solutions in the marketplace.
